

Orchard Street Medical Practice, Ipswich

Peter Tibbenham
(General Manager)

*GAH Building Services
Building 846
Bentwaters Parks
Rendlesham
Woodbridge
Suffolk
IP12 2TW*

The Project

We completely refurbished this office block for use as a medical practice. All works had to comply with CDM regulations and included plumbing, electrics (CAT 5 wiring), air conditioning and specialist lighting. Most of the exterior work had to be carried out on a mobile platform to enable disabled access and room for push-chair on the footpath outside the building.
